Hi Jess, had a quick chat in the office with Scott this morning before leaving for this apt, and this question came up again. I think this was part of our larger strategy to answer, and it's a bit more front and center at the moment in deciding where to place our emphasis for inspections next week with the State.

Ex. 5 Attorney Client (AC)

Thanks. I have a 1p inspection targeting call with the State, and the answer to this question would be very helpful. Scott can provide additional context if necessary.

Thanks,
Joe
